RE: Totally Preserved List: Appendix H of the Massachusetts State Building Code
Mary Baker Eddy House Museum, 12 Broad Street, Lynn, MA

Dear Mr. Anderson:

It has been determined by the Massachusetts Historical Commission that the Mary Baker Eddy House Museum qualifies for listing on the Totally Preserved List in Appendix H of the Massachusetts State Building Code. The Mary Baker Eddy House is listed in the National Register of Historic Places as a contributing property in the Diamond Historic District. The residence is opened to the public as a house museum to meet the mandatory twelve days. Virtually the entire Mary Baker Eddy House is open to the general public, exceeding the minimum of sixty percent as required.

If you have any questions regarding this issue, please contact MHC staff architect, Paul Holtz at this office. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Brana Simon".
